

Animals in Schools

Policy

The college will care for animals in classrooms as per the Animal Research Act 1985 (NSW) and the published guidelines for schools.

The college permits Category 1 Aquariums in the classroom. The college does not authorise any keeping of animals in Category 3, Category 4 or Category 5.

Procedure – Introducing a Category 1 Aquarium in the Classroom

1. The classroom teacher will review the published Animals in Schools: Animal Welfare Guidelines for Aquariums.
2. The classroom teacher will operate the aquarium as per the guidelines.
