

Bullying & Harassment

Policy

Australian Christian College will not tolerate bullying, cyberbullying and harassment in the school. The purpose of this policy is to outline the school's definition of bullying and harassment and to align with school policies for responding to incidents.

Defining Bullying

Bullying is when someone, or a group of people, deliberately upset or hurt another person or damage their property, reputation or social acceptance on more than one occasion. There is an imbalance of power in incidents of bullying with the bully or bullies having more power at the time due to age, size, status or other reasons.

Cyberbullying

Bullying can also occur within the context of the online world and other digital technologies such as texting and using email. This is called cyberbullying and it is not tolerated in the school.

Harassment

Action designed to harm someone's social reputation and/or cause humiliation. Harassment includes lying and spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude someone, damaging someone's social reputation or social acceptance.
